## EAST COAST FROM PERELLI TO FOLLONICA

THE STRIP OF PINE FOREST  
BEHIND THE BEAUTIFUL  
BEACH IS THE IDEAL ROUTE  
TO....

*Mountain bike tour  
Required a good balance*

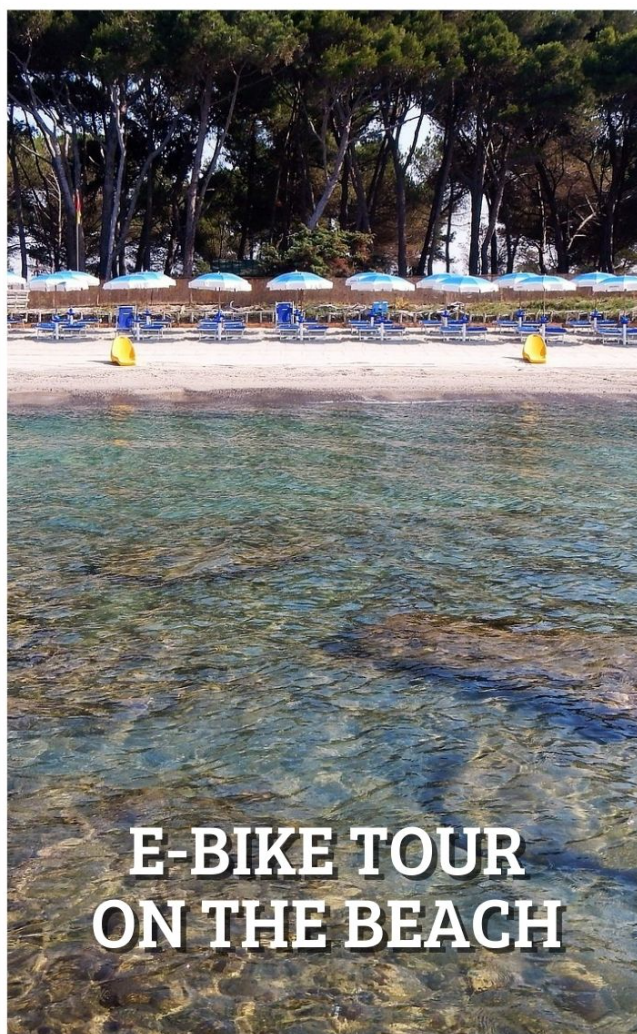

Quagliodromo, Torre del Sale .  
Perelli, Carlappiano, Sterpaia,  
Mortelliccio, Pino, Carbonifera, Torre  
Mozza are just the names of the  
beaches of the Gulf of Piombino that  
make up the East Coast. Their beauty,  
services and their characteristics you  
will discover crossing them all with  
our tour.

The route starts from car park 1 in Perelli and  
winds through the pine forests that line the  
beaches described above with shades of blue-  
green similar to those of the Caribbean. It is  
required a good balance to draw in the sandy  
stretches crossed near the beach. The arrival in  
Follonica is preceded by a stop at a bar/  
restaurant with an exceptional view of the  
entire gulf.
